

A Perfect Fit

Sometimes this life is such a puzzle, we wonder where we fit

We get into a hectic pace and forget to stop and sit
To take the time to spend with God, to understand His will
So we have got to choose to listen and that takes being still

For God has gifted everyone with a purpose and a plan
Specifically designed for each of us and crafted by His hand
He doesn't "puzzle" over us; He knows us all by name
He's never boring and too creative, to make us all the same

Did you know you're very special? The Father says you are
You'll never be a "second fiddle"; to Him you are a star!
Don't let someone else's view determine what you're worth
You were formed by God above and loved before your birth

In Jeremiah, verse eleven, chapter twenty-nine
Are words of promise, words of power, God lays it on the line
"For I know the plans I have for you and they are very good,
Just call on me and I will hear...in My Word I said I would."

If He cares about a little sparrow, don't you know He'll care for you?
Just stay the course, He's by your side and will help you make it through
God's perfect will for you may differ from His perfect will for me
But He will blend them all together in perfect harmony

There's too much peace when you trust in God, for He doesn't make mistakes
He knew before you were ever born, the road that you should take
God is able to meet your needs, He knows before you ask
And caring for the children He loves, is not a wearisome task

So as you journey through this life, be secure because you know
That He'll reveal His plan for you and show you where to go
The work He started in your life...He'll be faithful to complete
The pieces fit so perfectly, when you lay them at His feet.

Women of Faith Outreach

A Ministry to Women and by Women...

WHERE DOES YOUR PIECE FIT?

NOVEMBER 13, 2010

We believe that God has a purpose for each woman and we want to help every woman find and fulfill that purpose with confidence and the power of the Holy Spirit. Using the Word of God, we want to train and develop women spiritually so that they can truly be “Women of Faith.” We want to help women of all ages and every background to “Live Like He’s Coming!” (**expectant**)

The Vision of Women of Faith Outreach is to support the vision of Faith Outreach Church by:

1. Providing women opportunities for **fellowship** with other women through small group Bible studies, Ignite the Passion Meetings and Just for Laughs activities.
2. Providing **discipleship** for maturing Christians and new Christians through small group Bible studies on Thursday nights and other various Bible studies throughout the year.
3. Providing opportunities for women to **encounter** a Life-changing God through our Ignite the Passion Nights (Services just for women every other month) and various women’s conferences.
3. Providing **outreach** opportunities for women by teaming up with E.M.B.R.A.C.E. to reach out to the women of the community through Angel Food Ministries, the Food Pantry, the Clothing Closet, Ministry to Widows and Shut Ins, Girls Ministries and “Becoming a Touch 3 Woman”. Women’s Ministries will also support the outreaches of other ministries within Faith Outreach Church such as Youth, Children, and the Education Center.
4. Providing **ministry** opportunities by helping each woman discover their spiritual gifts, equip and provide them opportunities to serve within the following ministries:

Celebration Team-Plans events that celebrate upcoming marriages, new moms, and other significant events.

M.E.A.L. Ministry–Provides food to families who have experienced a death, birth, or major surgery for at least 2 nights.

Ministry to College Students-Ministers to kids who are away at school by sending cards and care packages sporadically throughout the year.

Planning of Pastor Appreciation Sunday -Oversees the day of honoring the Pastors of Faith Outreach.

Ministry to Widows and Shut-Ins-Ministers to widows and elderly, who cannot attend church, through cards, visits, phone calls, etc..

Prayer Ministry-Initiates a prayer chain and the prayer emphasis within Women of Faith.

Girl’s Ministries-(MPACT Girls) Through girl’s ministries, we want to train young ladies to be young women after God’s own heart. Our goal is to not only to connect with the young girls but also with their mothers or care-givers.

Decoration Team-This team oversees the decorating of the church Sanctuary, foyer, etc. (including decorations during the holiday seasons)

We Care-This team sends cards and makes phone calls to check on different church family members.

Military Family Ministry-One of our goals is that each military family is welcomed as one of our own. We will also provide support to the family if a spouse is deployed and provide encouragement to the deployed spouse through care packages and cards.

“Welcome Home” Campaign-Serves as the welcome committee of Faith Outreach Church and includes follow-up visits and phone calls. Our goal is that all visitors will truly have a sense of being at home with the Faith Outreach Family.

Ministry to Teachers-Women will adopt a teacher of Faith Outreach Education Center. We will pray and encourage “our” teacher on a regular basis, write encouraging notes, etc. throughout the school year. We will provide a time within the school year to appreciate the teachers collectively in a unique way. Eventually we would like to also include the teachers who teach at schools within our target community.
