POP/ROCK CULTURE POLICY

We realize many students have favorite characters (both fictional and non-fictional) that are a result of the influences of TV, music, movies or books. However, we believe that there are certain influences that are not conducive to either our academic, disciplined or spiritual atmosphere. We do not consider these items to be “sin”, but it is our goal to enhance, polish and pour into your most valuable treasure (your child), therefore we believe that it is of no educational or spiritual benefit to have some of the “Pop-Culture” favorites influencing the school.

Therefore, all backpacks, school supplies, clothing, coats, shoes and other accessories must not bear any characters, persons, sayings or logos unless they are Christian. Manufacturer’s tags or logos (such as Elmer’s glue, or Eastport) are acceptable on backpacks and school supplies, **but not on clothing items. This includes clothing worn on Free Fridays. Exceptions to this policy may only be approved by the principal.**

UNIFORM/DRESS CODE REQUIREMENTS

K2-K4 students do not have a dress code or required uniform, but all clothing items are required to adhere to the Pop/Rock Culture Policy found in the FOEC handbook.

Lengths & Other Dress Code Standards for All K5-G12 Students

^Must adhere to the Rock-Pop Culture policy at all times.

^Shorts (& skorts for girls), may not be more than 4 inches above the top of the knee in length.

^A belt must be worn if the garment has belt loops.

^Outer garments such as coats, dress jackets and sweaters may only be worn in the classroom if the student is cold and the outer garment is neat, clean, not baggy or tight and does not have any writing or characters/emblems, etc. Additionally all items worn under the garment must meet dress code/uniform standards.

^Faddish hairstyles/hair colors/etc. are not permitted.

^No jeans or cargo pants styles which includes outside seams with double stitching along the leg and across the back and patch pockets on the back or legs.

^No tight fitting clothing that conforms to or adheres snugly to the body’s curvatures (such as spandex and leggings) is permitted unless it is covered by a skirt, dress, jumper or shorts.

For girls: low-cut shirts, blouses and dresses are not permitted (no part of the collar line may fall more than 2” below the collarbone) and blouses and shirts must fall below the waistline sufficiently enough to cover the midriff and small of the back when bending over or reaching up.

For girls: skirts, dresses, and jumpers may not be more than 2 inches above the top of the knee in length. If a skirt or dress has a slit in the hem, the slit must not extend higher than the required dress length.
